

Compliance Statement

Pterodactyl, LLC *dba* LegacyVault.com (“LegacyVault”) managed service providers and data centers undergo regular Standards for Attestation Engagements No. 16 (SSAE 16) Service Organization Control (SOC) audits. A Pterodactyl, LLC., SOC 2 Type 2 report is available upon request.

LegacyVault and our payment providers are Payment Card Industry Data Security Standard (PCI DSS) compliant. A PCI DSS attestation of compliance is available upon request.

LegacyVault complies with the U.S.–E.U. and the U.S.–Swiss Safe Harbor framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of personal data from European Union member countries and Switzerland. More information on the Safe Harbor framework can be found at <http://export.gov/safeharbor>, including a searchable list with current certification status of organizations.

Compliance and certification documents can be requested through the LegacyVault compliance team for business sales or account management team. We'll update this page with any new certifications or compliance standards as we receive them.
